2. The upgrades are to provide grades commensurate with present duties and responsibilities. The [REDACTED] program has now become established to a point where it can be carried on by the higher graded employees, making the [REDACTED] position unnecessary. The establishment of the new GS-13 Intelligence Officer position is primarily to support the [REDACTED] trade program, particularly the analysis of intelligence relating to the [REDACTED]

 25X1B

3. In Annex B the Director of Personnel states that classification review of the positions indicates their allocation is warranted at the proposed grades, although the titles of the [REDACTED] should be [REDACTED] rather than Intelligence Officer.

25X1B

4. In Annex C the Chief, Budget Division states that if the proposal is approved, sufficient funds to provide for the additional per annum cost are available within the DD/I allocation for the current fiscal year and the budget estimates for the fiscal year 1956.

5. It is recommended that proposed changes in the [REDACTED] T/O be approved.
